

Drive clear
across France?
Don't delay
switch to DKV BOXES now!

WHAT IS CHANGING WITH THE TOLL IN FRANCE?

From 01.01.2021, DKV will stop acceptance of the DKV CARD for settling toll on French motorways.*

It will no longer be possible to use the DKV CARD with most French motorway operators from 01.01.2021. We urgently recommend you stop using the DKV CARD for the toll in France. But what happens after that? Order a DKV BOX today so that you can drive quickly and reliably through France in the future! You will not only benefit from simple toll settlement but also from further exclusive advantages and DKV services.

Act now to make sure your way is clear with the DKV BOX!

More information at www.dkv-euroservice.de

*In addition to the DKV CARD no longer being accepted on the whole of the French motorway system, it will also not be accepted at the Viaduc de Millau Bridge and the Maurice Lemaire Tunnel. However, the DKV CARD will continue to be accepted at the following toll stations: tunnels (Eurotunnel, Mont Blanc & Fréjus), bridges (Normandy and Tancarville) and the Rungis wholesale food market.

YOU DRIVE, WE CARE.
